

MITCHAM FOOTBALL CLUB – ‘HALL OF FAME MEMBER’ (#12)

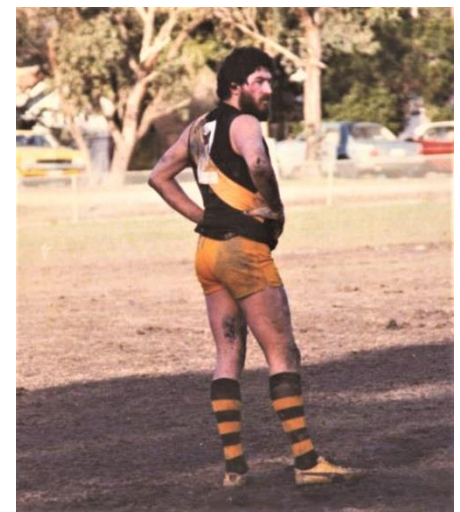

Peter Dungan (1954 –)

Peter Dungan, 2019

It would be fair to say Peter Dungan has done it all at the Mitcham Football Club. After departing Camberwell FC in the VFA he joined Mitcham in 1977.

You would be hard pressed to find an individual that has achieved more for the Club both on and off the field. ‘Dungo’ had a well-earned reputation as a hard, no-nonsense, straight ahead full back at Mitcham who played in 3 Senior Grand Finals for 2 Premierships in Division 1: 1979 & 1980. Regrettably, only an injury prevented Peter from attaining a third Premiership in 1981, which forced him to cease his playing days at the end of the 1980 season. After finishing his playing career, Peter immediately held leadership roles at both Junior and Senior Club level; utilising his business talents and knowledge for the general development of both the Mitcham Football and Sporting Clubs.
